pothesis fares against the record of interstate war in Europe since 1648 I argue that the empirical support is decidedly mixed Two facts tell in favor of the hypothesis After Napoleon and the development of the mass army, going to war more often meant risking the regime, something even “greedy” states are reluctant to do

### **Chapter 1 Why Remember Napoleon?**

Napoleon’s rewriting of the civil code, known as the Code Napoléon, has survived in France and in numerous other countries that were influenced by France (I discuss this code in Chapter 19) Napoleon literally changed the face of Europe His name was used in the cause of revolutions throughout Europe during the 19th century As I explain
